MOORE, BEATON HOST SHREWSBURY STUDENTS AT STATE HOUSE

Boston – On Wednesday, April 13, Senator Michael O. Moore (D-Millbury) and Representative Matthew A. Beaton (R-Shrewsbury) hosted students from Shrewsbury High School at the State House, who came to visit as part of a class field trip arranged by the Shrewsbury League of Women Voters. The group participated in the Massachusetts League of Women Voters’ “Day on the Hill” program.

The students also took a tour of the building, including visits onto the floors of the House and Senate Chambers with their respective legislators. Lunch was provided to the students by Sen. Moore and Rep. Beaton.

“I want to thank the Shrewsbury League of Women Voters for arranging the trip,” said Sen. Moore. “I enjoyed having the opportunity to talk with Shrewsbury students interested in government about the legislative process, and about what’s going on at the State House. This is always a great group; I look forward to this trip every year.”

“I enjoyed spending time with Shrewsbury students, fielding their questions, hearing their opinions and touring the State House,” said Rep. Beaton. “It is always exciting to be with students who have a sincere interest in the legislative process and the deep history of Massachusetts. Thanks to the League of Women Voters for all the great work they do to promote the civic engagement of our youth.”
