State Senator Michael O. Moore (D-Millbury) and Representative Paul K. Frost (R-Auburn), are pleased to announce the Town of Millbury has been awarded two grants totaling \$3,600,000 from the first wave of funding from the federal economic recovery stimulus program.

The Transportation grants have been awarded to help finance two Road and Mass Transit projects in Millbury. A \$3 million grant was awarded to replace the deck on the Interchange 11 ramp, and a \$600,000 grant was received to help clean and paint the Park Hill Avenue Bridge. Overall, 39 projects throughout the Commonwealth will receive Transportation grants totaling over \$336 million to help clean, repair and develop roadways.

"I am pleased to see the serious investment to improve and maintain the quality of roads and bridges in the Town of Millbury," said Senator Michael O. Moore (D-Millbury). "This initiative demonstrates the commitment of the Commonwealth to help manage the infrastructure of our roadways. They clearly recognize this as an issue of safety for area residents."

Rep. Frost commented, "I welcome any federal funds which will improve and better maintain the roadways and bridges in Millbury and the other communities I represent."
