MOORE TO HOST “GET FRESH – GET LOCAL” ROUNDTABLE DISCUSSION

Worcester – Senator Michael O. Moore (D-Millbury) coordinated and will be participating in a “Get Fresh – Get Local” roundtable discussion at Clark University in Worcester this Friday, September 25, from 11:00 AM to 1:00 PM. The purpose of the roundtable is to encourage collaboration between the local agricultural community and colleges and universities in Central Massachusetts.

“I hope to facilitate a productive discussion on the possibility of area schools purchasing local produce for their students, and in doing so increasing their already valuable support of local businesses,” said Sen. Moore.

The discussion will take place in the Grace Conference Room at Clark University. Both Clark University and also the College of the Holy Cross have started buying locally grown produce through their respective dining-services vendors.

The public and the press are welcome to attend this event.
