MOORE, BINIENDA HOST WORCESTER STUDENTS AT ANNUAL STUDENT GOVERNMENT DAY

Boston – On Friday April 3, Senator Michael O. Moore (D-Millbury) and Representative John J. Binienda (D-Worcester) hosted South High Community School students Danielle Dingue and Grace O’Day at the State House for the 62nd annual Student Government Day. Over 200 juniors and seniors from high schools across the Commonwealth participated in a first-hand lesson in state politics.

“I was happy to have the opportunity to meet with students interested in learning about the Legislative process,” said Senator Moore. “Student Government day is a great opportunity for these students gain an understanding of the day to day activities and responsibilities of Legislators. I congratulate them on being selected to represent their school and for their willingness to get involved.”

“Student Government Day is a great opportunity for young men and women who are passionate about government to participate in the process and get a feel for how the legislative process works,” stated Binienda. “Over the past 23 years, I have had the opportunity to host many students and always enjoy sharing my interest in government with the next generation of future leaders.”

The 62nd annual event allows studentt participants to take on the roles of the Governor, Lieutenant Governor, Legislators, Constitutional Officers, and court justices. Throughout the day, students held a simulated student joint committee hearing, and participated in mock formal sessions of the Senate and House.
